

Risk Assessment

Risk	Impact	Probability	Response Strategy	Severity
Back pain	Not being able to sit in front of computer for hours	3	Make sure chair is at the right hight and ensure I have good posture	3
Eyesight Damage	Not being able to look at screen for a long time	3	Take frequent breaks, have good lighting and look away every so often	3
Power Cut	Won't be able to complete work on time	1	Try to find out how long the power will be out for and inform tutor. Could also look into working elsewhere	2
Long term sickness	Sickness would result in there being a delay to my project	1	Inform a tutor that there may be a delay in the project. Rest to ensure speedy recovery	2
Computer Breaking	Could potentially miss a day or 2's work	1	Inform tutor and try to fix computer	2
	Probability Key		Impact Key	
	1	Unlikely	1	Low
	2	Likely	2	Medium
	3	Very Likely	3	High
